Description

This Mazda BT50 4x4 Dual cab has just arrived. These are a great size Dual cab Ute and this one has been fitted with a Canopy and Tow bar. These also have some great standard features like Bluetooth, Trailer sway, Climate control, Cruise control, plus more.. Rest assured when purchasing a Used vehicle. All our cars are inspected by our qualified technicians and undergo a road test, a mechanical inspection & service then a Queensland roadworthy before making it onto our yard. Need finance? We have onsite business managers ready to assist and making purchasing your new car easy. Interstate buyer? We often sell cars interstate and can help organise transport to make things easier and make the car buying process a breeze. Dont hesitate get in contact with one of our friendly staff before this one is gone..
